Letter No.C.C.277/Rev.21-22 dated 2nd May 1925 from the Deputy Commissioner, Shimoga District to the Muzrai Commissioner in Mysore.

"With reference to correspondence ending with your letter No.C. 409 of 22-23 dated the 23rd October 1924 regarding the disposal of the chattram building at Shimoga, I have the honor to state that the said building was sold by public auction on the 26th September 1924 by the Treasury Assistant Commissioner in charge of Shimoga Taluk and ~~Amildar~~ fetched Rs.1,605/- as the highest bid. From the report No. C.314 of 23-24 dated the 12th January 1925 received from the Treasury Assistant Commissioner it was observed that there was no flaw in the sale procedure and no objections having been received against the sale, it was duly confirmed and orders have been issued to the Amildar to credit the sale proceeds to "Chattram Savings."

2. Regarding the petition of Tirupaliahnavara Lakshmiah of Shimoga received with your letter No.67 of 24-25 dated the 24th September 1924 I enclose, for your information a copy of the office note and my order thereon. For reasons given in the note I found it inadvisable to -- purchase the old chattram building and convert it into Tirupaliah's chattram. It is out of question to grant free of cost to Tirupaliah's

Tirupalliah's chattram the building now sold in public auction. This is a Government building and that is a private charity. The petitioner was not prepared to pay any money but wanted the expenditure to be incurred from the invested funds. This is rather an impossibility. However as there is at the credit of the said charties more than Rs.8,000/- as deposit in the Government Savings Bank, being the balance of interest -- income after meeting the scale of expenditure, I am taking steps to have a new building built in a desirable locality. I shall soon submit a -- detailed report in this matter after corresponding with the Shimoga Town Municipal Council and the Executive Engineer.

3. As regards the sale of vessels and other belongings of the chattram the Amildar of Shimoga has not yet submitted the list though clear orders were issued in the matter. A stringent reminder has been issued and on receipt of the list, further action will be taken and a final report will be submitted.

4. The information called for by you in para 2 of your letter No.C.682 of 22-23 dated the 2nd May 1924, regarding the chattram building at Mandagaddi a separate report will be made."
